Europe Between Revolutions 1815 1848 Fontana History Of Europe - Rome's contemporary history reflects the long-standing tension between the spiritual power of the papacy and the political power of the Italian state capital. Rome was the last city-state to become part of a unified Italy, and it did so only under duress, after the invasion of Italian troops in 1870. The first written records for the history of France appeared in the Iron Age. What is now France made up the bulk of the region known to the Romans as Gaul. Roman writers noted the presence of three main ethno-linguistic groups in the area: the Gauls, the Aquitani, and the Belgae. The Gauls, the largest and best attested group, were Celtic people speaking what is known as the Gaulish language. The Great Famine (Irish: an Gorta Mór, [an? ?g???t??a m?o???]), or the Great Hunger, was a period in Ireland between 1845 and 1849 of mass starvation, disease, and emigration. With the most severely affected areas in the west and south of Ireland, where the Irish language was primarily spoken, the period was contemporaneously known in Irish as An Drochshaol, loosely translated as ...SUCCESSORS OF ROME: FRANCIA, 447-Present. Kings and Emperors of the Franks, France, Burgundy, Italy, and Germany. Introduction. After the collapse of the Western Roman Empire, and the occupation of much of Gaul by the Franks, Roman power never returned far enough to come into conflict with the Frankish kingdom (except, to an extent, in the South of Italy).
