

Making Connections Answer

Making Connections Answer - Making connections is a skill that must be modeled and taught for students to master. This worksheet encourages students to share the connections that can be made in a given text. Students are encouraged to share text-to-text connections, text-to-self connections and text-to-world connections.

Thi...Ask and answer questions about key details in a text read aloud or information presented orally or through other media. (SL 1.2) Recount or describe key ideas or details from a text read aloud or information presented orally or through other media. (SL 2.2) Ali Nava is an elementary teacher in ...1. Explain the strategy. Explain to students that there are three main types of connections that we make while reading texts.
