Non Western Educational Traditions Indigenous Approaches To Educational Thought And Practice Sociocultural Political And Historical Studies In Education - Non-Western Educational Traditions (Sociocultural, Political, and Historical Studies in Education) [Timothy Reagan] on Amazon.com. *FREE* shipping on qualifying offers. Informative and mind-opening, this text uniquely provides a comprehensive overview of a range of non-western approaches to educational thought and practice. The history of education, as taught in the United States and in the West generally, has focused primarily on how Western educational tradition emerged. This book provides a brief overview of several non-Western approaches to educational thought and practice. An understanding of how other peoples have educated their children, as well as what counted as "education" for them, may clarify Western ...The admirable quality of Non-Western Educational Traditions is that it seeks to include Indigenous educational thought and practices from Asia, Africa and the Americas, an objective that is not often found in texts that deal with the philosophy and history of education. Reagan presents a variety of traditions and demonstrates how they are as valuable as Western traditions. This text provides a brief yet comprehensive overview of a number of non-Western approaches to educational thought and practice.
