

Nonverbal Communication Journal

Nonverbal Communication Journal - This journal was previously published under other titles (view Journal History) Description. The Journal of Nonverbal Behavior publishes peer-reviewed original theoretical and empirical research papers on all major areas of nonverbal behavior. The coverage extends to paralanguage, proxemics, facial expressions, eye contact, face-to-face ...Nonverbal behavior includes all communicative acts except speech. Communication means conveying information through signals. We use body language without being aware of it, perceive and interpret other people's body language. Three classes of nonverbal behavior are the verbal-vocal, nonverbal-vocal, and nonverbal-nonvocal. Several gestures illustrate the relationship between verbal and ...Alex "Sandy" Pentland, a professor at the MIT Media Lab, and his colleagues applied technological tools to a question of human behavior -- how people use nonverbal communication cues. The results ...The nonverbal aspects of communication were undoubtedly an important part of relaying information when Homo sapiens began engaging in social behavior during prehistoric times. The nonverbal aspects of communication have been basic to survival since time began. Even Charles Darwin was involved in the study of nonverbal communication.
